

NOTICE

Dear Valued Customers

Please be advised that whereas power has been restored to most of the island effect 4 October 2017 the Pre-Entry system for Non-Perishable items will be discontinued.

Brokers are now required to submit all proper Entries that were released on Pre-Entry no later than 10 October 2017.

Brokers who do not have access to the internet can make use of the computer terminals in the Customs Reception Area.

Failure to do so will result in delay of releases until the proper entries are completed and revenue collected.

We look forward to your full co-operation in this matter.
